### Gains from the novel corona virus

<p>Novel corona virus (SARS -CoV-2) has provided us with not only losses but also gains in Korea.</p>  <p>Gain 1. We get to realize how to defend the overseas virus in future.</p>	<p>Defending nation against invading virus (defending castle against siege)</p>  <p>Hand-to-hand fighting against virus that has broken castle</p> 
<p>Gain 2. We get to prioritize the hygiene.</p> <p>No spitting on street </p> <p>Blocking sneeze/cough with sleeve </p> <p>Washing hands in restroom </p>	<p>Gain 3. We get to respect other's privacy.</p> <p>Reducing meeting attendance  Home </p> <p>Keeping silent in public place </p> <p>Hopefully, the hard-bought gains are not lost.</p>
